

Wan-Yaari Aboriginal Consultancy Services is an Aboriginal owned and operated business providing professional and empowering services to the Aboriginal Community and non-Aboriginal organisations in the Geelong Region.

Our Aboriginal cultural awareness training will improve your understanding, awareness and respect of Aboriginal history and culture. This can enhance your engagement and working relationships with local Aboriginal clients and Communities.

The 6 hour Aboriginal cultural awareness training is available for individuals or work teams to attend as a professional development session.

WAN-YAARI Aboriginal Consultancy services respectfully acknowledge that this training is being delivered on the traditional lands of the Waddawurrung/Wathaurong People's.
