

Family violence referral pathways forum for health workers

(Colac Otway region)

Dr Sally Cockburn (aka Dr Feelgood) will host a **panel** with representatives from local & regional support services. The panel will explore a family violence case study from initial presentation at a health service through to accessing family violence support. There will be representatives from an array of services such as The Orange Door, Victoria Police, Bethany and many more.

Please note: It is recommended attendees have a basic understanding of family violence by completing *Module One: Family Violence: A Shared Understanding* prior to the forum
